Mission of SS. Cyril and Methodius Religious Education Program

The mission of our parish Religious Education Program is one that entails more than merely knowing about Jesus Christ and the Church. It also recognizes the need for students to reflect on the experience of Jesus in their own lives, to speak the faith they share, and to relate to one another so that the Word of God becomes present when they gather in Christ's name. Thus, we provide for our students a Religious Education Program that is:

CHRIST - centered
FAMILY - centered
SCRIPTURE - centered

The GOALS of our parish Religious Education Program are:

1. To teach the message of the gospel
2. To help students establish a personal, loving relationship with Jesus and the Father.
3. To foster participation in the sacramental and liturgical life of the Parish.

Together with the knowledge of basic Church teachings, the students are guided and encouraged toward an on-going appreciation of prayer, Scripture, liturgy, the 10 Commandments, and the Sacraments. With these basic fundamentals, and the living example of both parents and catechists, we strive to teach Catholic Christianity as a way of life.

POLICIES AND PROCEDURES

The following are policies of the SS. Cyril and Methodius Religious Education Program that we ask you to abide by during the current catechetical year:

DISCRIMINATION POLICY

SS. Cyril and Methodius Parish does not discriminate based on sex, race, color, or national and ethnic origin in administration of its policies, supplementary programs or any other program-based function.

CLASS SCHEDULE

Religious Education classes meet a **minimum** of 30 hours annually. SSCM offers 4 sessions:

- Monday (English) session: 5:30PM – 7:00PM
- Wednesday (English) session: 6:00PM - 7:30PM
- Friday Bilingual session (Polish/English): 5:00PM - 6:00PM
- Saturday Bilingual Session (Polish/English): 9:00AM - 10:00AM The Friday and Saturday sessions are bilingual.

All religious education classes meet in the parish school. Students are expected to cooperate with the catechist and be respectful to the catechist and SSCM staff while attending the sessions. Because the program is sequential, *every year* of religious education is very important and necessary for the total development of your child's faith.

***We encourage everyone to register for the best session that suits their child's/family's schedule. We understand that change happens, however if you wish to change your child's session AFTER having registered there will be a \$50 processing fee.**

4. Under no circumstances should the person driving be on their cell phone. This is a law in the state of Illinois that no one can be using their cell phone in a school zone. Please make sure you follow this law and keep our children safe. **ANY use on a cell phone while picking up your child/children is distracting and should never be done for the safety of all.**
5. If someone other than a parent will be picking up a child/children from RE, a parent/guardian **MUST** call or email our office to inform us of WHO will be picking up their child/children.

PLACEMENT OF STUDENTS IN CLASSES

Each year of religious education students are placed in classes by the director and with input from the catechists. We will not accept requests from parents to place their child in a class with friends before the program begins or after classes get underway. Special requests for placement of a student in a specific class will be handled by the director of religious education with the parent.

ATTENDANCE *VERY IMPORTANT*****

Regular attendance at Religious Education classes is MANDATORY!! If a child misses more than **five (5)** class days of instruction *during the catechetical year* without a serious reason, he will be expelled from the program without a refund of the tuition paid, and will have to repeat the grade over again the following year.

THERE IS ABSOLUTELY NO SWITCHING OF DAYS DURING THE YEAR AFTER THE START OF CLASSES FOR ANY REASON. STUDENTS ATTENDING THE BILINGUAL SESSION CANNOT SWITCH BETWEEN FRIDAY AND SATURDAY CLASSES. THEY ARE RESPONSIBLE FOR ATTENDING THE SESSION THAT THEY REGISTERED FOR. PLEASE TAKE INTO CONSIDERATION

WINTER OR SPRING SPORTS WHEN SIGNING UP YOUR CHILD FOR A SPECIFIC DAY IN THE FALL!!

Consistently missing class due to an extra-curricular activity will NOT be allowed. In years past this has become a problem and we will no longer allow your child to miss classes for any activities such as sports, dance, music etc. on a regular basis.

ABSENTEEISM

1. If you know ahead of time that your child will be absent a day of class, please call and leave a message with the Religious Education Office at (630)257-9314 sometime during the week prior to the day that will be missed.
2. If your child becomes ill and cannot attend class, please call the religious education office at (630)257-9314 to report your child's absence. An answering machine is available for you to leave a message.
3. If your child is not in school, and the absence has not been previously reported, for your child's protection we will place a phone call to your cell or home phone.

CLASS MATERIALS

Each child is asked to bring the following materials to class every week:

1. A folder for schoolwork and for notes going home. *Please check weekly!!*
2. Religion textbook
3. Notebook of paper
4. A pen or pencil
5. Bible in grades 6, 7, 8

TREATS FOR CLASSES

The school has a policy which calls for no food in any of the classrooms and the Religious Education Program must adhere to that policy. We are asking for your cooperation in this matter and if you would like to send a treat to your child's class that you send an individually wrapped treat for the children to take home. No home baked goods are allowed, only store bought individually wrapped goods are allowed.

STUDENT PROGRESS

Progress Reports charting the progress of each child will be given out twice annually – in **February** and in **June**. Children who do not complete the assignments and pass the grade requirement at a satisfactory level each year **WILL NOT** advance to the next grade the following year. Children need to have adequate background and preparation at each level before advancing to the next. Parents should not presume that children will **automatically** pass each grade level.

You may speak to your child's catechist at any time during the catechetical year, either after class or by email. You may also arrange to meet with your child's catechist in person or to have them call you at home or work by contacting the RE Office (630)257-9314.

Photo/Video Release:

On occasion students are photographed or videotaped throughout the Catechetical year. These photos/videos can be used on our Religious Education Facebook page, parish website and/or bulletin, newspaper, or displayed at the parish school. No photos/videos will be used for commercial purposes. By accepting these terms and conditions you give SS Cyril & Methodius permission to use images of your child(ren) for the purposes stated above.

GENERAL REQUIREMENTS

It is expected that each family become actively involved in the SS. Cyril and Methodius Religious Education Program and Parish to model a living, conscious and active Christian faith and to reinforce the values and attitudes for living that faith. The family and their children also agree to act in accordance with these values and attitudes. Failure of a family member to act in a truly Christian manner or cooperate fully with the SS. Cyril and Methodius parish may lead to the removal or non-registration of the family member attending the religious education program. The SSCM Religious Education staff organize special events throughout the catechetical year such as: family masses, confessions, devotions, other events. As a family of faith we encourage you to take part in these events to the best of your ability.

PROGRAM REQUIREMENTS / STUDENTS

1. Each child is required to have on file in the Religious Education Office a copy of his/her Baptismal Certificate (if not baptized at SSCM), and when applicable, a copy of the Reconciliation and Communion certificates.
2. Transfer students must provide transcripts of prior religious education classes completed.
3. Two consecutive years of Religious Education (first and second grade) are required for the child to receive the sacraments of Reconciliation and First Holy Communion. If your child is registered in the English program they will make their First Holy Communion in English. If they are registered in the bilingual program they will make their First Holy Communion in Polish/English. In order for a child to make their First Holy Communion at a bilingual mass they must attend first grade and second grade in the bilingual program. Preparation for First Holy Communion begins in first grade.
4. The Sacrament of Confirmation is celebrated in the eighth grade. In order to receive the sacrament, a child must have attended Religious Education classes from third grade until the eighth grade, inclusively. Preparation for Confirmation begins in seventh grade.
5. Children are required to learn by heart certain prayers before advancing to the next grade level. A list of these prayers will be provided to your child at the beginning of

each catechetical year. Kindly help your child learn these prayers encourage them to say them on a regular basis.

PROGRAM REQUIREMENTS / PARENTS

All new parents are required to attend a parent meeting at the beginning of the first catechetical year. If your child is in the second or eighth grade sacramental program you will be required to attend the parent meetings that are scheduled and also any other activities that are scheduled for the sacrament they are preparing to receive. If you do not attend the different scheduled required events you will have to attend a make up meeting.

It is the parent's responsibility to check on their child's work on a regular basis. You are your child's primary educator and our catechists cannot do their job without your help. Please make sure they have done any homework that has been assigned to them. Please help them study for the tests that are given and to learn by heart the prayers that are required for each grade level.

The religious education program will be using email/text to communicate with you as much as possible, so it is very important that we have your email address and preferred cell phone number on file in the religious education office. If you have not provided your email address/cell phone to us, please do this as soon as possible by emailing us at stcyrilre@sscmlmont.org or by calling the RE Office (630)257-9314.

DAMAGE TO SCHOOL PROPERTY

We ask that you please impress upon your child the fact that we must share the school, classrooms, desks, etc. with the children who attend SS. Cyril and Methodius Catholic School during the day. Therefore, it is important that they be respectful and mindful of where they are, and considerate of others and their belongings. Please discuss this with your child. If a Religious Education student mars, destroys, or loses by intent or through carelessness, any school property, or any property belonging to that of another child, the student will be fined according to the expense entailed, and a deficiency report will be sent home.

CUSTODY ISSUES

If parents are divorced or separated, the religious education program presumes that both parents have access to the children unless one parent can provide evidence that he or she has the sole right. If there are other custody arrangements a copy of such agreement must be on file in the parish religious education office. The religious education program presumes that both parents have access to the children's records unless one parent can provide evidence that he or she has the sole right. The parent that registers a child/children for religious education will be considered the primary contact/decision maker. Any changes need to be made through this primary contact and agreed upon by both parents before any changes are executed by the religious education staff. As a Catholic family of faith, we value the

importance of family. If a child is receiving a sacrament it is expected that **BOTH** parents be present in support of their child and the Catholic faith.

DISCIPLINE OF STUDENTS

Students attending the religious education program are expected to be on their best behavior when attending classes. Religious Education classes are for a very short amount of time and when we have students that are consistently disrupting the class or being disrespectful to the catechist everyone suffers. Students will be explained the rules and policies of the program at the beginning of each year and they will be asked to sign a contract that states they will abide by these rules and policies. The catechist will also sign this contract and will keep it with them for the year. If necessary, the catechist will refer back to this contract when dealing with a situation. If a student is continually a discipline problem a phone call home will be made to the parents. If the problem continues a meeting will be requested with parents, student, catechist, SSCM staff member, and our pastor. If this does not work and they continue to be a problem they will be asked to leave the program for the year and will have to repeat that grade level the next year.

SCHOOL CLOSING

In the event that classes are cancelled due to inclement weather or a building emergency, you will receive a text and email notifying you of the situation. In the event of closing due to weather it will also be posted on the emergency closing system and you can call (847)238-1234 or you can go online to www.EmergencyClosings.com to search for SS. Cyril and Methodius Religious Education or watch your local TV station for school closings.

TUITION

Tuition for the catechetical year covers books and supplies. Tuition fees are established to meet the necessary financial needs of the program. If a family finds itself unable to meet the cost of tuition due to financial difficulties, please contact the Religious Education Office at (630)257-9314 to arrange a meeting to determine how SSCM can assist you. Tuition is subject to change year to year. Religious Education tuition is to be paid in full at time of registration.

SS. Cyril & Methodius Religious Education Tuition Policy

The following policy will help define the supporting parishioner status at SS. Cyril & Methodius.

Tuition is based on an active supporting parishioner status. Tuition rates for active supporting parishioners are lower due to the parish's subsidy to the religious education program. The parish subsidy to the religious education program helps to defray the actual cost of tuition for each student. As an active supporting parishioner, it is expected that you attend Mass and contribute to the parish by the use of your weekly envelopes. The following guidelines will be used in assessing the parishioner status.

An analysis by the parish will determine if supporting parishioner status is maintained. The schedule is as follows:

- Parish reviews contributions from September through January
- If no contributions, then in mid-February a notice will be sent to family explaining that they are now considered a non-contributing family and will be charged a higher tuition rate for the current catechetical year. Non-parishioner payment will be due by May 1st, unless they begin to use their envelopes on a regular basis.
- A family does not need to be registered members of our parish, however there is an additional fee applied to each year's tuition for non-SSCM parishioners of \$180.

2020 COVID-19 AMMENDMENT

Due to the pandemic that affected all of us in the Spring of 2020, the 2020/21 catechetical year will be done remotely. As the Archdiocese of Chicago updates rules and regulations, SSCM RE staff will notify parents on of such/any changes as they pertain to religious education.

A calendar with lesson plan/schedule will be provided for each student's grade level. Students are responsible, with the help of their parents to complete all assigned work in the time given. If for whatever reason an assignment is missed a student will need to complete that missed work by the end of the following week along with that current week's work.

As the primary educators of their child(ren), parents are responsible to help their child(ren) with assigned work completion as well as homework and any other assignments throughout the catechetical year.

Students will receive progress reports in February and June of 2021.

Due to the current situation sacramental prep may be done virtually. The religious education office will notify you with details and instructions regarding anything pertaining to your child's sacrament.

Statements in this handbook are subject to amendment with or without notice. The religious education program will attempt to keep you informed of all changes as soon as practical; however, some changes might be made immediately due to unforeseen circumstances.
